

Leave a Legacy~

You can make **The International Association for Animal Hospice & Palliative Care** a part of your lasting legacy.

You can make a legacy gift to **The International Association for Animal Hospice & Palliative Care** (IAAHPC), a 501 © (3) non-profit organization. No matter what your financial contribution, your gift can and will make a difference to the IAAHPC. After you are gone, you can rest knowing your legacy can go on helping animals and their families at the end-of-life.

Some people think they must choose between leaving a gift to their family or their favorite charity. You can do both, and some charitable gifts may even save your family money by decreasing inheritance taxes.

In addition to making a gift in your Will or Trust, you can also make **The International Association for Animal Hospice & Palliative Care** a primary or secondary beneficiary of other 'due on death' benefits? These may include life insurance, IRA accounts, certain annuities, pensions or 401(k) plans. Be sure to ask your tax advisor about rights of your surviving spouse if applicable.

When you speak to your attorney about making a planned gift, you'll need to provide the following information about us:

The International Association for Animal Hospice & Palliative Care

Attorney: Donna F. Hartl, Partner

GOLAN | CHRISTIE | TAGLIA LLP
